

# Leverage Your Team's Genius

## Powerful Outcomes

“The 6 Types of Working Genius” -Assessment, Training & Coaching

- Understand, appreciate and fully utilize each member of your team's Zone of **Genius**, Zone of **Competency** and Zone of **Frustration**
- Clarity on how to leverage each member's Zone of Genius so they can powerfully contribute
- Immediately increase team alignment and productivity
- Common language so your team will have instant understanding and deeper alignment
- Do more of what energizes you and less of what drains you
- Clarity on what may be missing on your team and who you may want to hire to fill in the gaps
- Increased productivity, calm, and energy in the entire organization
